Not specified	Connaught House N10	No	Not specified	Not specified	Distance from Teresa Walk especially number 7. This project has used every loophole in the planning application and you as our representatives in this matter have failed with the duty of care for your residents for the sake of financial gain. The area is already densely populated and you have made no requirements of the developer for adequate parking. You have been from the outset hand in glove with the developer, agreeing to all their plans and disregarding our objections. When this project is finished you can come and sit in one of the apartments and almost touch number 7. I know these comments are futile based on your previous history and I wonder to what end they benefit you who do not have to live here.	Re-introduction of height and distance requirements.	Yes
