Subject: Object to proposal SA62

We object strongly to the draft Local Plan proposal SA62 for a demolition and redevelopment zone covering Broadwater Fram, Somerset Close, Moira Close and some houses along Lordship Lane. The proposal would cause massive stress to all concerned, displacement and disruption for years as well as blight and undermine all the successful efforts over decades to build a strong and stable local community. It is unacceptable and should be withdrawn immediately. Instead the council must work with the community to protect, support and improve all the existing homes, estates, facilities and communities in the area. The proposal is unsound in planning terms as it is very inappropriate compared to the alternative of repair and refurbishment of the estate rather than demolition which would not require a site allocation in this plan Mr C Yumakci
