

Haringey Local Plan Pre-submission Response Form

Pre-Submission Consultation 8th January – 4th March 2016

The Council is consulting on four Development Plan Documents (DPDs).

These are the:

- Alterations to the Strategic Policies;
- Development Management DPD;
- Site Allocations DPD; and
- Tottenham Area Action Plan.

They will be submitted to the Secretary of State for Examination in Public later this year. This is your final chance to make comments on the documents.

How to Make Comments

This form is designed for postal comments, if you wish to respond by email, please use the Word compatible version of this form which is available for downloading from the Council's website www.haringey.gov.uk/localplan.

Please note that you need to use a separate Part B form for each comment that you make. Your comments will be considered by a Planning Inspector, therefore they should only relate to the 'tests of soundness' and legal compliance (see guidance note at the back of this form, in the DPDs appendices and on our website for more information).

Complete the form overleaf and return to:

Next Steps

In the summer of 2016 the Planning Inspector will hold an "Examination in Public" to consider the DPDs and comments made to them. The timetable for the Examination in Public will be advertised when it has been confirmed.

3. To which part of the Local Plan does this representation relate?

Paragraph Policy Policies Map

4. Do you consider the Local Plan is (tick):

4.(1) Legally compliant Yes No

4.(2) Sound Yes No

4.(3) Complies with the Duty to co-operate Yes No

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty-to-cooperate. Please be as detailed as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Authority notes that the document uses the term '*Friern Barnet Sewage Works*' at Alteration 110, paragraph 5.1 when referring to the '*Pinkham Way*' site. '*Pinkham Way*' is the term that is used in the Site Allocations DPD, so there is inconsistency in the names of the same site which is referenced in both the proposed alterations to Strategic Policies and the Site Allocations DPD.

(Continue on a separate sheet/ expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as detailed as possible.

It is recommended that there is a change in the terminology used in the document to replace the reference to '*Friern Barnet Sewage Works*' with reference to '*Pinkham Way*' which is the term that the Site Allocations DPD has adopted. A change would ensure that both documents are consistent.

(Continue on a separate sheet/ expand box if necessary)

Please note your representation should cover concisely all the information, evidence, and supporting information necessary to support/ justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in the oral examination.
