

The Project List

The project list focuses on the themes:

COMMUNITY WEALTH BUILDING

- Improving and growing the local economy and prosperity by investing and supporting town centre growth with projects that tackle anti-social behaviour, value traders and business, and enhance local heritage
- Supporting organisations that provide Social and Community Infrastructure or are valuable assets for Wood Green's diversity e.g. Area 51 and Faith Miracle Church
- Facilitating negotiations to develop new affordable workspace in Wood Green

THE PUBLIC REALM OF YOUNG PEOPLE

- Supporting young people and involving them in the process of developing and delivering public spaces
- Looking for opportunities for play space and public realm adjacent to schools with a deficit of play spaces and maximising opportunities to incorporate play at street level
- Identifying and improving access to schools

MAKING CONNECTIONS

- Enhancements to streetscapes focusing on promoting wayfinding, legibility, cycling infrastructure, incorporating designing out of crime and supporting safer and more accessible links and junctions
- Improvements in areas considered hotspots for crime and anti-social behaviour and streetscape improvements to residential roads, to promote green infrastructure, walking routes, accessibility requirements, promotion of electric vehicle charging points and safer routes to schools

TACKLING CLIMATE CHANGE

- Promote access and links between natural green spaces whilst safeguarding existing features and support volunteers to preserve natural assets
- Making use of blue infrastructure for recreation and investing in major open spaces
- Greening spaces and creating new pocket parks whilst also connecting green spaces and improving crossings and signage

Key

- Community Wealth Building
- The Public Realm for Young People
- Making Connections
- Tackling Climate Change
- Improved crossing points
- Accessibility Audit improvements
