We all have a role to play in protecting children and young people from child abuse and neglect. But a third of people who suspect child abuse, do nothing.

You don't have to be absolutely certain about your suspicions; if you have a feeling that something's not right, talk to your local children's social care team who can look into it.

If you're worried about a child, visit [gov.uk/reportchildabuse](https://www.gov.uk/reportchildabuse) to get the number for your local authority.
