Dear Sir/Madam

If there is to be development of the above site, it should only be permitted if:

- (a) it is of limited scale - and in particular limited height - so as to be consistent with the fabric, and preserve the amenity, of the neighbouring residential streets
- (b) it is not of an intensity such as to result in unreasonable demands on local infrastructure, including parking and
- (c) it results in (at least) the replacement of green space lost with space of equivalent amenity

Yours faithfully

Katharine Ward
Palace Road
