I would like to express my objection to the Local Plan for housing. We are in the middle of a housing CRISIS. The word 'housing' is never far away from the word 'crisis'. I believe the council to be complacent (at best) with regard to the housing crisis by not providing decent and inclusive housing for all. Haringey Council should be demanding help from the government and standing up for the members of the borough that voted its councillors into power. Instead, the council is showing blatant disregard for the people of this borough and is going as far as to do the government's dirty work for them. Shocking! What's the point of being a councillor if you fail to serve the voter? The Council should drop the Local Plan, and instead work with residents to improve existing homes and invest in local communities. We need more and better council housing. It is your duty.
