Making a Representation: Guidance Note

Haringey's Local Plan Pre-Submission Consultation

8th January – 4th March 2016

The Local Plan documents have been through a number of stages of consultation. The outcomes of each stage of consultation have in turn informed the next stage of development of the documents. The current stage of consultation offers the final opportunity to comment on the draft documents before it is submitted to the Planning Inspector for Independent Examination.

The previous stages of consultation offered wide opportunity to contribute to the development of the policy documents. As the final drafts, any comments made on the documents at this stage may not result in a change but will be recorded and considered alongside the documents at Examination. This will mean that all comments and representations will be made public. This will be the last stage to comment on the Local Plan documents unless requested by the Inspector.

How to respond to Local Plan documents at this stage?

If you seek a change to any of the document your comments should state clearly what you want changed and why, and you should provide evidence to support these proposals. You should provide wording, where relevant, for the changes proposed.

Are the Local Plan documents sound?

- Is the document justified?
 - Is it based on robust and credible evidence?
 - Is it the most appropriate strategy when considered against the alternatives?
- Is the document effective?
 - Is it deliverable?
 - Is it flexible?
 - Will it be able to be monitored?
- Is it consistent with national policy?

The documents should be consistent with national and regional policy. If you think this is not the case you should state clearly the reasons why. If you feel that an additional policy should be included in the Local Plan documents, which go against national or regional policy, in order to meet a clearly identified and justified local need, you should state what the local circumstances are and provide supporting evidence.

Has the Local Plan documents met the following legal requirements?

Has it been prepared in accordance with the Local Development Scheme, which sets out the work programme for the Local Plan?

Is it in compliance with the Statement of Community Involvement, which sets out how the Council will involve the community in the preparation of planning documents and in considering planning applications?

Has it been subject to a Sustainability Appraisal to examine the social, economic and environmental impacts of the policies?

Does it have regard to national policy?

Does it conform generally with regional policy as set out in the London Plan?

Is it in line with the objectives set out in Haringey's Sustainable Community Strategy?

Further detailed guidance on how to respond to the documents can be found in the appendices of each document.
