If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I Think it is very unfair to ask normal Citizens about topics/situations like this, who would know about whether a local plan is legally compliant, all I know is that I love living here and would not want to move to make way for future development.

(Continue on a separate sheet/ expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at question 5 above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as detailed as possible.

(Continue on a separate sheet/ expand box if necessary)

Please note your representation should cover concisely all the information, evidence, and supporting information necessary to support/ justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
