Subject: Haringey Local Plan

Dear Sir/ Madam,

I should like to comment on the Haringey Local Plan as part of the Pre-Submission Public Consultation.

It is of considerable concern that the Local Plan now excludes the separation of distances policy for residential buildings and that the proposed Backlands Policy is not prescriptive on heights of buildings. I would urge Haringey to reinstate the distances policy and to amend the Backlands Policy so that future developments do not adversely affect the privacy and amenity of neighbouring properties.

I would also point out that Haringey should be accountable to local people, not bending over backwards to accommodate the frustrations of developers as so often seems to be the case.

Yours faithfully,

Nigel Tattersfield
