Subject: Local Plan proposal SA62

I want to register that I strongly object to the draft Local Plan Proposal SA62 for the demolition and redevelopment of the area covering the Broadwater Farm estate, Somerset Close, Lido Square, Moira Close and a number of houses along Lordship Lane.

This would cause displacement, disruption and massive stress to all the current residents and users of Lordship Rec. Residents would lose their homes and be very unlikely to afford the rents or to buy in any new development.

It would undermine all the efforts to build a strong and stable community in the area and to improve local facilities.

It is totally unacceptable. The Council should continue the work of improving the homes, facilities and communities in the area. Otherwise the resources already poured into improvements are completely wasted.
