Which policy / site / paragraph are you commenting on?

[REDACTED]

Do you have any comments or suggestions for how it could be improved?

Firstly, I welcome to make Wood Green better place, to shop and live in, and I think we need further consultation as a residents live in the Sky City.

I am suggesting that next consultation or meeting hold up in the morning because there are many people who missed last meetings because they were working in the afternoon and that people I am included.
