p.161 Fitterbeds Haringey Waterworks site

Do you have any comments or suggestions for how it could be improved?

I have concerns about plans for housing here. It is Metropolitan Open Land & should be protected as stated in Mayor of London's Planning Policy no 7.17 "the strongest protection should be given to London's M.O.L & inappropriate development refused ... giving the same level of protection as in the Green Belt". The site is close to a nature reserve at Alexandra Palace & open to many birds & other forms of wildlife. It is also a much needed area of open space.
