		North London Waste Authority			
Former friern Barnet Sewage Works	B7	& LB Barnet	Borough Grade II	No Change	Large brownfield site with no public access. This site is unique in the borough due to its size and the habitat mosaic it supports.
Lee Valley	B1	LB Haringey	Metropolitan	No Change	Small part of the Wider Lea Valley SINC.
Parkland Walk LNR	B15	TFL	Metropolitan	No Change	No change although the boundary issue does pose a threat.
Highgate Wood	B15		Metropolitan	No Change	Very high quality woodland
Queen's Wood LNR	B15		Metropolitan	No Change	Very high quality woodland
					This site has undergone dramatic enhancements in recent years.
Lordship Lane Rec & Allotment Gardens	B5	LB Haringey	Local	Potential Upgrade	The habitat mosaic it now supports is certainly worthy of Borough Grade 1 listing. Boundary of the SINC should be expanded to include entire park.
St Ann's Hospital Grounds	B3	NHS	Local	No Change	Small area of woodland
Land adjacent to Fortismere School	B6	Eden Primary	Local	At Risk	Significant proportion of this site has been redeveloped to accomodated Eden Primary School. Limited public access to some and mostly no public access. The area with no public access has experienced a high level of disturbance in the recent past in is now dominated by relatively young scrub and woodland.
					Site could be significantly enhanced
Bruce Grove Wood	B14	LB Haringey	Local	At Risk	Not obvious why this site is designated. Essentially it is a large private garden.
Rear of 3 Fairfield Rd	B16	?	Local	At Risk	
Tunnel Gardens	B12	LB Haringey	Borough Grade II	No Change	Linear strip of scrub and woodland
					Large open space with significant number of large, mature trees, small areas of woodland and rough grassland. The age of the trees is sufficient that this site could be a borough grade 1 site.
Highgate Golf Course	B8		Borough Grade II	Potential Upgrade	
Tottenham Railsides	B9		Borough Grade II	No Change	No access, no obvious change
Markfield Recreation Ground	B10	Network Rail	Borough Grade II	No Change	Small areas of woodland, scrub and rough grassland.
Shepherds Hill Gardens	B13	LB Haringey	Local	No Change	Small area of woodland
Golf Course Allotment	B18	LB Haringey	None	Potential Upgrade	Large open green space, potentially a Local grade SINC
Tottenham Hale to Northumberland Park Railside	B11	Network Rail	Borough Grade II	No Change	No access, no obvious change
Southwood Lane Wood	B2	LB Haringey	Local	No Change	Very small linear area of woodland. Not obviously of SINC value
Chestnuts Recreation Ground	B4	LB Haringey	Local	No Change	Small park with meadow/rough grassland area. Potential for further enhancements.
Stationers Park	B17	LB Haringey	None	Potential Upgrade	Small park with wetland areas (unusual in the borough), scrub and woodland
Tile Kiln Lane Reservoir	B20	Thames Water	None	Potential Upgrade	No access, but includes small area of woodland and potentially some botanically interesting grassland.
The Grove Allotments	B19	LB Haringey	None	Potential Upgrade	Small area of allotments bordering parkland walk. Very pleasant spot.
Additional Site					
Granville Spinney	OS 54			Potential Upgrade	Small site with woodland, meadow and wet areas. Managed with nature conservation in mind. Possibly a Local SINC.
