Subject: Woodgreen AAP (Area Action Plan)

Dear Sir/Madam

I would like to register my opposition to the Woodgreen AAP (Area Action Plan) and in particular the demolition of Caxton Road.

This will have a devastating effect on people's lives. Forcibly moving families including young children causes needless distress and for no material benefit. A good rule of thumb in these instances is what would the Head of Regeneration, Head of the Development Company(ies), Lead Architect and Head Planner feel like if it were their homes. Please make a minor amendment to your plans. It will have an enormous impact on the lives of people living in Wood Green.

I shall be using my contacts in the press, including the Guardian's Aditya Chakraborty, to raise awareness of this.

Yours faithfully

Daryn Moody
