Subject: English Heritage response - Haringey Local Plan

Dear Sir/Madam

Please find attached English Heritage's response to the recent consultation on the Haringey Local Plans. As you will note in the comments, we have not been able to marry up sufficiently the site allocations from those consulted upon in January 2014 (Reg 18). We have therefore placed a holding letter on this DPD with expectation that we can meet with officers in the near future to discuss how our previous comments have been incorporated into the latest version (Reg 19).

Kind regards

Graham

English Heritage is changing into two organisations.

From Spring 2015, we shall become Historic England, a government service championing England's heritage and giving expert, constructive advice, and the English Heritage Trust, a charity caring for the National Heritage Collection of more than 400 historic properties and their collections.
