Subject: Demolition of residents homes in Caxton Road - Opposition

Dear Haringey Council,

I would like to register my strong opposition - again - towards the unnecessary plans to demolish these homes in favour of an in needed and unwanted development.

Please take into account the strong local opposition to this. There are many people who do not believe that our council would allow this to happen, especially when there are so many people needing homes in the borough.

I would appreciate a response and explanation as to what other alternatives have been dismissed in favour of this proposed action.

Many thanks,

Gemma Jarman.
