Document: Local Plan Main Modifications Public Consultation

Dear Emma Williamson,

Thank you for consulting Highways England on the modifications to the Haringey Local Plan.

As you are aware, on behalf of the Secretary of State for Transport, Highways England is responsible for managing and operating a safe and efficient Strategic Road Network (SRN), i.e. the Trunk Road and Motorway Network in England, as laid down in Department for Transport (DfT) Circular 02/2013 (Planning and The Strategic Road Network).

Our interest in local plans is specifically focussed on the council's approach to highway and transport matters in relation to regeneration and new development. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the strategic road network and, in the vicinity of Haringey this would be the M1, M25 and M11.

We have reviewed the documents and conclude that we do not have any comment to make but welcome the opportunity of working with you as the plan develops.

Sent on behalf of Janice Burgess – Spatial Planning Manager at Highways England.

Teresa Gonet,
