Consultation: Haringey Local Plan: Wood Green Area Action Plan Consultation

Dear Emma,

Thank you for your email dated 14 February 2017, advising Highways England of the above consultation.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the Strategic Road Network (SRN). In this case M1 and A1.

Having examined the above document, we do not offer any comment to this proposal.

Kind regards

Sent on behalf of Cherrie Mendoza – Spatial Planning Manager at Highways England.
