Dear Cllr Kober

I have been asked by the Executive Committee of Middlesex County Amateur Swimming Association to write to you to express their support of Haringey Aquatics Swimming Club's proposal for a new Swimming and Leisure Centre as part of the Wood Green Area Action Plan.

The Executive Committee are all volunteers devoted to the development of the young people of the County in all Aquatic disciplines.

Haringey Aquatics has developed as a Club and now has a Water Polo section and Diving Section as well as running a very successful 'Learn to swim' programme and encouraging competitive speed swimming for its members.

We understand that there is a need for a new facility in the area and hope that the Council will be able to support this proposal.

Yours sincerely

Florence Barnes
President
On behalf of the Executive Committee of MCASA
