Which policy / site / paragraph are you commenting on?

Do you have any comments or suggestions for how it could be improved?

I would like to suggest that if there could be given a priority to those who have been living in wood green for the New plan.

I have disability which can be along with the transport, shopping and my health care. My son and I live in one bed room flat, which is small. The New plan might also affect my benefits for housing as I am not working.

Therefore I would be guaranteed for re-housing after the demolition.

If the New plan has been done, I would like and prefer if Council house can be affordable to rent, as it has fair price depending on the income.
