Subject: Caxton Road/Mayes Road demolishing

Hello

I am very allarmed by what I have heard regarding demolishing of Caxton Road and Mayes Road properties. Whilst I understand the need of re-development of the area, I have to oppose the plan. The properties are lovely Victorian houses with lots of heritage and I am quite shocked that they have to make a way for the view. Lots of people will lose their homes, some of these people owned their homes for years, many have grown up in these homes. I know a lots of people in this area and I am very saddened by this development, please re-consider.

Thank you

Kind regards

Metin Boyraz
