Subject: Final Representation (incl. Part A)

Dear Sir/Madam

I attach 4 Part B representations, together with Part A. The issues can be summarised as follows.

- 1) Lack of clarity on siting and size limits for tall and large buildings
- 2) Inadequacy of controls on redevelopment of sites bordering MOLs
- 3) Loss/destruction of open space (public park & communal garden) to wrongly-sited new development

Since the plan's general approach to these issues is out of line with London Plan policy objectives, I am copying my response to the GLA.

Yours faithfully
