Dear Sir or Madam

I have lived in Tottenham, close to the border of Wood Green for 54 years.

In my opinion the streets need to be cleaner. Litter pick ups could be organised similar to what happens in Bruce Castle Park. Shops must put their refuse, especially food, in proper bins.

It was extremely disappointing when we lost HMV, M & S, BHS, Evolution, Borders and Next. We should have these lovely shops back. I know many people who used to travel to shop in some of these shops. Wood Green doesn't need any more £1 shops, bookies or Turkish restaurants. Paramount is a great Indian restaurant but a decent Italian restaurant would be welcome.

At the moment I don't enjoy shopping in Wood Green so go to Enfield or Muswell Hill.

Regards,

Sarah Stubbs
