Dear Sir / Madam

**LONDON BOROUGH OF HARINGEY'S DRAFT LOCAL PLAN REPRESENTATIONS (FEBRUARY 2015)
HORNSEY BOWLING CLUB, RECTORY GARDENS, LONDON, N8 7QT**

We have been instructed by our client, the London Diocesan Fund (LDF), to submit representations in connection with land adjacent to the Hornsey Bowling Club and the Bowling Club itself as a linked proposal.

Please find enclosed these representations which have been drafted in respect of the following documents which form part of LB Haringey's Draft Local Plan:

- Draft Local Plan: Alterations to Strategic Policies 2011-2026 (February 2015);
- Draft Local Plan: Site Allocations DPD (February 2015); and
- Draft Local Plan: Development Management Policies DPD (February 2015)

The LDF have been in discussion with the LBH on a small scale housing scheme at the site. These representations ask that this approach is recognised in the draft SA document alongside other suggested policy changes within the alterations to strategic policies and the DM Policies which are considered not to affect the overall strategic objectives of these draft Plans of which are supported.

A red line plan has been included at Appendix A of the representations which indicates the boundary of the site.

We look forward to receiving confirmation that you have received the representations in due course.

Should you require any additional information, please do not hesitate to contact myself on the details at the head of this letter, or my colleague Charlotte Scotney on

Yours faithfully

Jane Barnett
Director
