

Schedule of Modifications to the Tottenham AAP: November 2016

Tottenham AAP			
Main Modifications			
Modification Reference	Policy / Para / Page	Description of Change	Reason for Change
AAPMod1	Whole Plan	<p>Delete all references to 'capped commercial rents' within Site Requirements and Development Guidelines and replace with reference to affordable workspace to read:</p> <p><u>Capped commercial rents will be expected in this area in line with the Draft Development Management DPD. Proposals should make provision for an element of affordable workspace in line with Policy DM38.</u></p>	Modification arising from Examination in Public hearings.
AAPMod2	Whole Plan	<p>Amend all Development Guidelines, where relevant, to read:</p> <p>This site is identified as being in an area with potential for being part of a <u>d</u>Decentralised <u>e</u>Energy (DE) network. <u>This may be as a decentralised energy hub, as a customer, or requiring part of the site to provide an easement for the network. Development proposals should be designed for connection to a DE network, and seek to prioritise/secure connection to existing or planned future DE networks, in line with Policy DM22.</u></p>	Modification arising from Examination in Public hearings.
AAPMod3	Figure 1.4	<p>Revise and amend Figure 1.4 of the AAP to provide a more detailed 'key diagram' for the Tottenham AAP area adding the town centre boundaries for Seven Sisters & Bruce Grove town centre, the indicative boundary for the extended or new local town centre boundary at High Road West/Spurs; the stations subject to planned improvement, and the improved pedestrian linkages through to the Lee Valley Regional Park (See amended key diagram provided at the end of this schedule)</p>	To provide a clearer illustrative map showing the key proposals of the AAP within the Tottenham area and to correct a publishing error. LBH amendment Made in response to the Greater London Authority and to the Statement of Common Ground with Quod on behalf of THFC
AAPMod4	Table 1	<p>Update Table 1 to reflect changes in designations of 'High Road West' which should come under the list of 'Local Employment Areas'.</p>	For accuracy and clarity and in line with the Employment Land Study. Made in

		<i>Additionally, add to this list (Local Employment Areas) 'High Road East'</i>	response to the representation by Quod on behalf of THFC.
AAPMod5	Figure 2.4	<i>Amend the map at Figure 2.4 to reflect accurate designations as per Employment Land Study 2015, Appendix A Map of Defined Employment Areas, including the Millmead Strategic Industrial Location (SIL) boundary.</i>	For accuracy and clarity and in line with the Employment Land Study. Made in response to the representation by Quod on behalf of THFC.
AAPMod6	Paragraph 2.37	<p><i>Insert new paragraph after paragraph 2.37 to read:</i></p> <p><u>The THFC stadium development and the redevelopment of High Road West (including the relocation of the station entrance for White Hart Lane station and the creation of a new public square) offers the opportunity to create a new local centre or to redraw the boundary of the existing North Tottenham High Road Local Centre to form a more coherent centre. The THFC stadium scheme has been consented and the second phase (which includes the new stadium is under construction). The completed first phase already includes main town centre uses such as a large format food store and headquarter office accommodation. In addition to the stadium, the remainder of the scheme includes health; leisure; hotel; and residential uses as well as a large area of public realm that will help link the High Road West and Northumberland Park schemes. This provides a clear basis for the inclusion of the THFC stadium scheme within the North Tottenham High Road Local Centre and the redrawing of the boundary accordingly. To the west of the High Road, the precise boundary of the North Tottenham High Road Local Centre will need to be defined as town centre uses are consented and delivered, formal reviews of the local centre boundary will be undertaken and revised boundaries will be drawn.</u></p>	As agreed with Tottenham Hotspur Ltd and its Group Companies through a Statement of Common Ground.
AAPMod7	Paragraph 3.18	<p><i>Amend subheading to read Objective 7 and amend the first sentence of paragraph 3.18 to read:</i></p> <p>Tottenham has a number of significant heritage assets which are facing pressures from development, as well as wear and tear overtime some of which are in poor and vulnerable condition, underused and facing an</p>	Amended text to better set in context the objective for enhancement of heritage assets. AAPMod22	AAP5	Delete Policy AAP5 Part B. <u>B. In line with the NPPF, paragraph 133, substantial or total loss of significance of designated heritage assets would only be considered where it satisfactorily justifies and demonstrates that the substantial harm or loss is necessary to achieve substantial public benefits that</u>	Modification arising from Examination in Public hearings.

		<p><u>outweigh that harm or loss, or all of the following apply:</u></p> <p><u>a. the nature of the heritage asset prevents all reasonable uses of the site; and</u></p> <p><u>b. no viable use of the heritage asset itself can be found in the medium term through appropriate marketing that will enable its conservation; and</u></p> <p><u>c. conservation by grant funding or some form of charitable public ownership is demonstrably not possible; and</u></p> <p><u>d. the harm or loss is outweighed by the benefit of bringing the site back into use.</u></p>	
AAPMod23	AAP5	<p><i>Delete Policy AAP5 Part C.</i></p> <p><u>C. In line with the NPPF, paragraph 134, where a development proposal will lead to less than substantial harm to the significance of a designated heritage asset, this harm should be weighed against the public benefits of the proposal, including securing its optimum viable use.</u></p>	Modification arising from Examination in Public hearings.
AAPMod24	AAP5	<p><i>Delete Policy AAP5 Part D.</i></p> <p><u>D. In line with the NPPF, paragraph 135, the effect of an application on the significance of a non-designated heritage asset should be taken into account in determining the application. In weighing applications that affect directly or indirectly non-designated heritage assets, a balanced judgement will be required having regard to the scale of any harm or loss and the significance of the heritage asset.</u></p>	Modification arising from Examination in Public hearings.
AAPMod25	Paragraph 4.23	<p><i>Amend paragraph 4.23 to read:</i></p> <p>All development proposals should demonstrate an understanding of the local historic environment and clearly consider the proposal's physical and functional impact on this environment, as well as the wider area. <u>The requirements of AAP5 will be considered alongside Policy DM9. 7.10 In accordance with Policy SP8, a net increase of 23,800m² of B Class employment floorspace is required across the borough up to 2026. The Tottenham area contains the majority of the borough's remaining large industrial estates and therefore has a significant role in meeting the increased floorspace requirement. The Tottenham AAP identifies a number of strategic sites where employment-led, mixed use redevelopment is promoted to secure the renewal or reconfiguration of existing floorspace. These sites are set out in the Table 12 below. An indicative employment floorspace capacity for each site is also shown; however it is recognised that these figures are indicative and are gross floorspace. The actual amount of floorspace (gross and net) will depend on the floorspace to be retained and reconfigured, the achievement of the maximum employment floorspace on existing employment sites having regard to the proposed overall mix, site layout and constraints, and viability.

7.11 In accordance with Strategic Policy SP10, the Local Plan establishes a requirement for an increase in retail provision of 23,995m² floorspace (13,800m² comparison goods and 10,195m² convenience) across the borough up to 2026. To meet this requirement, the Tottenham AAP identifies sites with potential to deliver 85,570m² of town centre uses floorspace. The vast majority of this town centre floorspace is anticipated to be within the retail Use Classes and includes the reorientation of the Retail Park in Tottenham Hale to a District Centre and the expansion of a leisure-oriented local centre in North Tottenham. It is important to note that the figures set out in Table 12 are gross and indicative, and as mentioned in relation to the Tottenham Retail Park will replace the existing big box retailing with a more fine-grained, mixed use, walk-to retail typology. This may therefore not result in a significant change in the total on-site retail floorspace.

7.12 The physical and social infrastructure required to support the development and growth planned for in Tottenham, through both the Strategic Policies DPD and the Tottenham AAP, is set out in the Council's Infrastructure Delivery Plan (IDP). The IDP is intended to be a live document and will be updated regularly to take into account the monitoring of infrastructure delivery and changes to the service plans and funding commitments of the delivery bodies. For the latest position on the infrastructure requirements, and delivery against these, please visit the Council's website <http://www.haringey.gov.uk/localplan>
