

Revised House Extensions in South Tottenham - Supplementary Planning Document

(Consultation draft – July 2013)

Statement on Sustainability Appraisal and Equalities Impact Assessment

In accordance with the Town and Country Planning (Local Development) (England) Regulations 2004 (Amended 2008) a Sustainability Appraisal (SA) and Equalities Impact Assessment (EqIA) were prepared by the London Borough of Haringey as part of the process of developing the original version of the House Extensions in South Tottenham Supplementary Planning Document (SPD). The SA and EqIA were consulted on along with the draft SPD between 28th May and 12th July 2010. All the representations on the Consultation Draft SPD, SA and EqIA were taken into account in preparation of the final version of the SPD, which was adopted on 17th October 2010.

Further SA and EqIA have been prepared and consulted on to aid in the preparation of the Council's then draft Core Strategy, now adopted as Haringey's Local Plan, Strategic Policies, adopted March 2013. The Council has therefore carefully considered whether there is any need to revise and update the SA and EqIA for the House Extensions in South Tottenham SPD, and have concluded that there is no such need.

Copies of the original SA and EqIA, together with the original SPD, Consultation Reports and Adoption Statement remain available to view at the locations listed below.
