To Whom It May Concern,

**Re: Wood Green Area Action Plan (Preferred Options 2017) Consultation
Proposed demolition of residential properties on Caxton Road and Mayes Road**

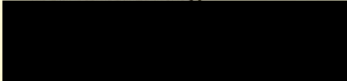

I write on behalf of my constituents to raise considerable concern that under the current Wood Green Area Action Plan proposals, their homes on Caxton Road and Mayes Road are earmarked for demolition. I share their concern as to whether the destruction of the properties is necessary or appropriate.

Please find enclosed formal submissions from affected residents to the Consultation and to the Sustainability Appraisal, along with a petition, which I would like to submit on their behalf. As you will see these documents outline their key concerns and counter-proposals.

I would be grateful if you could give this Consultation response full and due consideration. I am also copying this to Cllr Claire Kober, Leader Haringey Council and Zina Etheridge, Acting Chief Executive of Haringey Council.

Yours sincerely,
